

The Future of DeFi

P R E S E N T A T I O N

What is DeFi?

DeFi is a blockchain-based financial system enabling lending, trading & earning – without banks. It uses smart contracts to provide open, fast, and transparent access to financial tools.

Why OrbitX?

-  Built on powerful blockchain
-  100% decentralized (DeFi 3.0)
-  Backed by USDT treasury
-  Maintains market stability via bond sales

The OrbitX Ecosystem

A modular platform supporting digital sovereignty, freedom, and inclusion.

Secure Hardware Integration

- Blockchain + encryption chips
- Data privacy, transparency, anti-surveillance

Project Launcher

- Launch your DApps
- Community funding
- Inbuilt promotions

Soul ID

- Unique, verifiable digital identity
- Interoperable ecosystem-wide
- Reduces fraud

OrbitX Store

- Curated DApp access
- Community ratings
- Developer visibility

OrbitX Roadmap

1

OrbitX Pool Bonus

Daily Prize Pool rules:

- All buy order hashes with a transaction amount exceeding 120 USDT will enter the prize pool database, and 11 transaction hashes will be randomly selected for the Daily Pool Bonus.
- Total amount that comes in the Daily pool in every 24 hours is distributed equally among the 11 members.

Monthly Prize Pool rules:

- The Monthly pool bonus will be distributed simultaneously.
- One person with the most significant single transaction amount will receive 30% of the monthly bonus
- 70% of the monthly bonus will be distributed equally among 30 achievers.

OrbitX Club Bonus

Club Name	Turnover Share	Monthly Target (Weaker Leg)	Eligibility
Mega Star Club	3%	\$20,000	Min: Star 2
Rock Star Club	2%	\$50,000	Min: Star 4
Power Star Club	1%	\$100,000	Min: Star 6

***6% Company Turnover
is distributed among Top leaders
on monthly basis***

Transaction fees utilisation

Distribution mechanism for 6% transaction fees:

3% goes to Burning

Reducing the circulation supply of \$RTX increases scarcity, and supports the minting, which enhances the value of entire ecosystem and stability of RTX token

2% goes to Daily pool

Daily pool reward enhances and boost the users participation and active community giving them opportunity to earn daily rewards from pool to 11 members of community

1% goes to monthly pool

RTX rewards from transaction fees of 1% from total 6% transaction fees is secured and provided to best person who performs monthly in the Orbit Community.

Terms & Conditions

- Minimum Deposit: \$1 (\$120 recommended)
- Minimum Withdrawal: \$1 (Daily)
- Withdrawals in \$RTX Token
- 6% transaction fees on withdrawals
- 6% split : 3% Burn, 3% Reward Pool.
- Staking Rewards also in Token
- Capital withdrawal after 24 hrs with 6% deduction
